

**SOCIETY OF WOMEN ENGINEERS
PHOENIX SECTION**

2019 COLLEGIATE SCHOLARSHIPS

**UP TO SIX \$1,000-\$1,500 DIRECT SCHOLARSHIPS FOR THE
2018-19 SCHOOL YEAR**

CRITERIA

Eligible schools include Arizona State University, Northern Arizona University, and Embry Riddle Aeronautical University

- Must be a current full-time undergraduate engineering student at one of the participating institutions
- Must be returning as a full-time undergraduate engineering student for Fall of 2019

APPLICATION PROCESS

Required materials include:

- Brief essay on "What does SWE mean to you?" *totaling 300-500 words

Questions to consider when answering this prompt include: What have you contributed to your SWE chapter? What insight have you gained regarding the engineering profession? What transferrable skills have you developed that have impacted your personal/professional growth in engineering?

- Resume (1-page max.)

Be sure to include your major(s), GPA, and expected graduation date. If you are a registered SWE member (paid through SWE National), also include your membership ID in the header of your resume.

- Transcript from the most recent term that shows cumulative GPA
- Proof of registration for the 2019-20 school year (or course plan highlighting the next year's courses)

**SUBMIT ALL APPLICATION MATERIALS VIA EMAIL TO
AWARDS@SWEPHOENIX.COM
BY MARCH 1ST, 2019**
