

Ira A. Fulton Schools of Engineering
Science, Math and Engineering Competition Award (SMECA)
Recommendation Form

Thank you for taking time to write a recommendation for the Science Math and Engineering Competition Award (SMECA). As part of the SMECA application requirements, a recommendation is needed from a teacher, counselor, or competition advisor. This person should be able to attest to the student's competition participation, their potential for success in academics at ASU, and their character as an applicant.

The SMECA applicant is responsible/required to upload their respective required recommendation online in our scholarship portal by the deadline of **March 18, 2019** to be considered for the SMECA scholarship. Please complete the form and return to your student. **Only students have access to the portal to upload their recommendations.**

The completed form must be received/uploaded to the online application deadline of **Monday, March 18, 2019**. If you need additional space, please feel free to add attachments. Should you have any questions, please contact Nicolle Sánchez at nicolle.sanchez@asu.edu or via telephone: 480.965.9306.

Student Name: _____

High School Name & Address: _____

Recommender's Name: _____

Phone Number: _____ **Email:** _____

Job Title: _____ **Relationship to Student:** _____

1. Please rate on a scale of 1 – 5, the student's interest in engineering.

(1 no interest, 2 some interest, 3 average interest, 4 strong interest, 5 high level of interest)

1 2 3 4 5

2. In what science, math and/or engineering competition did this student compete and when was it held? Did the student or the group win any type of award for the competition?

3. Describe the student's ability to work in a team. Please give an example.
